### *Benefits of Symmetrical Gigabit Broadband*

#### *Speed*

*From 1000Mbps (1Gbps)\*  
our standard gigabit  
Service is 14x faster than  
our average competitors.*

#### *Reliability*

*Our fibre is underground  
meaning you get resilient  
service whatever the  
weather.*

#### *Symmetrical*

*Our Gigabit Broadband  
connection has equal  
download and upload  
speeds. Perfect for  
those who work from  
home.*
